

Shadowmaster (Mills & Boon Nocturne) (Nightsiders, Book 3)

Humans and vampires on the brink of war. In San Francisco, a fragile truce is threatened by an assassination plot. Dhampir agent Phoenix Stryker has the beauty, brains and blood to infiltrate the vampires secret society and save the city. But once she finds her target, the assassin Drakon, is not the monster she expected. Handsome, honourable and irresistibly attractive, Drakon will stop at nothing to save his people and protect the woman he needs even more than the blood that keeps him alive. Now the key to the worlds survival may lie in their dangerous alliance
