

Romance: Chosen By Her Bear: A BBW Paranormal Shape Shifter Romance Standalone

Chosen By Her Bear *** This is a STANDALONE SHORT. This short has no cliffhangers and ends in a happily ever after *** My eyes opened and at first nothing seemed to make sense. One moment I was wet and walking down the street, the next I am kidnapped and wake up in a dark room. This is right out of a Saw movie. I was shaking. It was weird. I didnt remember giving my brain the message to quake my body. I tried to stand up and immediately I realized that my feet were tied to the bed post. The door opened and a man carrying a candle stick entered the room. I was too scared to say anything. His face didnt look too frightening, for a kidnapper. If I had to be honest, it was quite attractive, that face. I mentally punched myself: too early to develop Stockholm syndrome! He was wearing jeans which looked as if it was sewn onto him (like the rumor that got around for that Marilyn Monroe dress.Happy Birthday, Mr. Presiiiiident). He didnt look like a kidnapper but he sure was one. What are the chances of getting kidnapped by this guy? As my mind tried to register the whole situation, he moved closer to the bed and I instinctively recoiled. Hot or not, this man was a creepy kidnapper and there was no happy ending to that story. He took a knife out of his pocket and my heart skipped a beat. This was it. I wasnt going to see the sun. Then, with a single stroke, he cut loose the rope that was tied to my leg and the bedpost. I immediately drew my legs inward. Reader Note: This book contains some hot romance, sex scenes, adult language and possible violence. Only meant for the adult eyes! -----
