

Settlement & Negotiation Strategies for Personal Injury Law: Video Leadership Seminar with Michael Bogdanow of Meehan, Boyle, Black & Bogdanow, PC (DVD)

Description The goal of this Video Leadership Seminar is to provide lawyers with essential information on settling personal injury claims. The DVD is viewable on any computer or iPod (that supports video) and features 80 minutes of live video with Michael Bogdanow of Meehan, Boyle, Black & Bogdanow, PC sharing his knowledge and experience with personal injury cases. The Video Leadership Seminar provides specific resources such as the most important laws, strategies to succeed and experiences dealing with different situations. Topics covered in the Video Leadership Seminar include: Trends in personal injury filings
Different types of personal injury lawsuits
Steps for handling the settlement process
Best practices for developing effective negotiation strategies
Case Studies
Samples of the types of questions answered in the Video Leadership Seminar include:
How have the claims and the outcomes changed in recent years? Who is bringing the cases? What are the plaintiff expectations for financial settlements? How are defendants responding to the current cases? What would you say are the 5-7 steps in developing a negotiating strategy? What are the most effective negotiating strategies for personal injury cases? What calculations are made to predict the financial settlement? What venue is the most favorable for negotiating a positive settlement? What will be the structure of the settlement? How is this determined? What motivates the defense? Why is this important to the negotiating strategy?
