

## Island Bimbo

Nancy is a stuck up, repressed accountant. So tightly wound, in fact, that she cant even enjoy a work conference on a beautiful Tahitian island. She denies herself anything fun -- food, drink and hot men! All that is about to change, however, after she insults a sexy island man named Ari. He decides to consult the islands shaman and work out a way to show this stuck up mainlander how to let go and live the island way. Nancy is about to get a hot bimbo-fication ritual that will change her world!
