

## The Diary of Annas Submission

Anna has dark and taboo desires that leave her feeling ashamed and unnatural. All she can think about is how it would feel to let a man possess her in the most primal of ways. Despite her inexperience, and the fact she is a virgin, she knows she wants to be at the mercy of a dominating man, one who can show her what it really means to submit. When she is propositioned by Felix, a Dominant at the local BDSM club, Anna has to make the choice to either accept what Felix has to offer, or leave behind an experience that will forever change her life. Deciding to let Master Felix train her in the art of being a true submissive, Anna takes a journey that will bare her soul, and leave her body deliciously sore.
