

Sorority Escort - The Dungeon: A French Billionaire BDSM Romance

Have you ever come so hard that you do anything to make it stop? Nothing has prepared me for Mr. Black's dungeon. Not the spankings. Not the bondage. Nothing. He does things to me. Seductive, overwhelming, terrible things that make me want to flee, but I can't. I'm compelled to stay, but not by Mr. Black. I'm compelled by the darkness in my soul. I yearn to understand why I love the feel of the plastic ball gag on my tongue, why I inhale the scent of leather until I can't suck in another breath, why the pinching bite of the clamps and whips only serve to inflame my desire. For this, I stay. For this, I'm willing to descend into near madness. For this, I'm willing to submit to Mr. Black until he does the one thing that breaks the spell and makes me question everything I've ever believed. Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
