

Disciplined in the Garage: Taboo Interracial Short Story BMWW

You've been acting out for a while now and I think it's time that you learned your lesson... Kelly thought she'd be home alone when she invited her friends over for a bit of illegal fun. The last thing she expected was to be caught by the ebony man of the house, Paul. Now that the brat is in trouble, how far will Paul go to teach her a lesson about being a bad girl? And will Kelly be able to handle the fact that bad girls get filled in every single hole, rough and unprotected?
