

Spike Omnibus

Wise-cracking and showboatin William the Bloody has had his share of adventures during his long un-dead life, and the Spike Omnibus pulls them all together! Learn more about the bad boy of the Buffy-verse in Spikes earliest stories like Lost & Found, Old Wounds, and Old Times, then read along as Spike battles the lord of the undead in Spike vs. Dracula, and finally, catch up with Spike as he heads to the Asylum on a work-for-hire mission before heading to Japan to stop maniacal puppets in Shadow Puppets. Its more Spike than you can shake a sharp, wooden stake at!
