

SPIN: An Indigo Lounge Novella (Indigo Lounge Series)

From the moment we met and I let him frisk me, I was captivated by Zachary Savage. He was the intense, insanely sexy and arrogant billionaire who believed he could have anything and anyone. Despite my reservations, I fell for him. And then the demons came. We fought them together. He put an engagement ring on my finger. I thought the road to our happy ever after would be smooth. I was wrong. The demons merely took a vacation. And now they're back SPIN is the final instalment to Zachary Savage and Bethany Greens bestselling story. It can be read as a standalone, but to fully appreciate their story, I recommend combining the reading experience with HIGH and HIGHER! Warning: This story contains intense, erotically charged sex scenes involving two people who are crazy in love and crazier in lust. Adversity only heightens their emotions and proclivities. Proceed with care! For 18+ only.
