

The Hardest Step (Taboo Pregnancy Romance)

Am I really going to fuck my step? 19 year old innocent Lacey's big STEP Ty is different than most guys. All the girls around college say he NEVER gets off, no matter how hard they try. But Lacey soon discovers Ty's dark secret. He can't get off, because they aren't the one Ty secretly fantasizes about. He can't get off, because he wants the one person he can NEVER have. The one person so close to home that it would be forbidden. When Lacey decides it's time for her big STEP to get off, she gives up her body, letting him take her hard, and without protection. But she never could have expected his FERTILE surprise. Ty isn't pulling out, and when he makes her feel THIS good, why would she stop him?
