

## Sleight Mistake (Stone Investigations) (Volume 2)

After the betrayal that threatened their lives, Lacie Hart is trying to move forward while Ryder Stone pieces together what's left of his business and his sense of self. But Sorcha needs Lacie's help again, and while supporting her lover in his pursuits, Lacie finds herself walking old paths. Missing the signs that another threat is encroaching, Lacie has a close encounter that leaves them all gasping for breath. As Lacie soothes her love and tries to help in the investigation, they gain no leads. The behaviour of her attacker makes no sense. It follows no pattern. Does someone want to harm her? Or are they looking in the wrong place?
