

Straight Talk to Men and Their Wives

Dr. James Dobson squarely faces a problem that is perplexing men and women all across the country in *Straight Talk to Men and Their Wives*. Where do the perimeters fall between male chauvinism and being an effective, forceful leader? What does the Bible say about sexual roles? And is there really a conspiracy of doubt being placed in the minds of Christians everywhere about their roles? Dr. Dobson takes a moment to explore these questions in a logical, probing manner, looking, as always, for God's leadership in human relationships. Dr. Dobson probes questions such as What makes a man a man?.
