

Her Christmas Viking: Holiday Magic (Her Elemental Viking Book 5)

ATTENTION READERS: This is a sexy SHORT novella. Bite sized for your reading pleasure. Christmas is hotter than ever: the Elemental Viking brothers are back! Over a thousand years ago, four Viking brothers led by their tyrannical father invaded lands under the protection of a powerful witch. Cursed for their crimes, the brothers suffered for their wrongdoing for over a thousand years. With the help of the women they loved, they became worthy of redemption and broke their curses. Now its Christmas, and--with the help of a little magic--the entire family is reunited to celebrate. But when the yuletide spell bringing them together also summons their bloodthirsty father back from the veil, the boys and their lovers must band together to save the holidays. This festive novella for adults features holiday spell work, naughty gifts, and a winter wonderland youll never see coming. This STANDALONE novella is part of the Her Elemental Viking series and features characters from throughout the series. There are no cliffhangers, and each short ends as it should: happily ever after.
