

## Submissive Wife Stories (Submissive Women Book 1)

The first volume of Submissive Women combines three of Charlotte Edwards most popular stories in one Ebook collection.

**SHARING MY WIFE** Suzi used to be an inattentive wife and that nearly cost her marriage when her husband got a mistress. Determined to be the lover her husband wants, she is led down a path of pleasure, depravity and fun. On this occasion, she is tied up and offered to another couple.

**WIFES TOY PARTY** Naughty wife, Suzi, is going out of her way to keep her husband and Master happy. Throwing a marital aids party at home, she invites twenty of the loveliest ladies from the neighbourhood and ensures He has a front seat for the show and plenty of opportunity for audience participation.

**WIFES BUKKAKE SHOWER** Suzi was a good wife. After neglecting herself and her husband last year and nearly losing her marriage as a result, she made pleasing her husband a high priority. And her husband was very demanding! Over the last year, she had tried men, women, couples, bondage, S&M and much, much more. She didnt think that there was anything left to try. She was wrong. Extract: I finished my Champagne and Suzi took that as the signal I intended it to be to knock back her own drink, walk across the room and stand passively by my side, shedding her robe on the way. Drinking in her beauty, I ran a hand down the curve of her ample breast, along the tight leather corset I had cinched her into earlier and followed the flair of her hip. Standing abruptly, I pulled her slender arms behind her back and taking a long leather sheath, began to lace it up the length of her arms. With a last tug, I fastened the restraint off with a bow and admired the way in which it made her 38DD breasts lift and project even further. For a few seconds, I couldnt resist taking her nipples into my mouth one at a time, elucidating a low moan from my horny woman. Getting back to work, I fitted her

ankles with a spreader bar and then lodged a four inch penis gag firmly into her throat. Suzi made a token attempt at struggling as this was inserted she really didnt like it much but once it was fully in and fastened, she relaxed again. We both learned a long time ago that the one faculty Suzi had to give up for total submission was her voice. The final touch was a leather blindfold and a small butt plug, pushed firmly in place just as the doorbell rang. With a last rub of her sopping wet pussy, I left my beautiful wife standing vulnerable and available in the middle of the bedroom as I went to let our guests in. These are explicit erotic tales which will appear to both sexes and as you might expect, have detailed descriptions of many sexual activities, including bondage, whipping and double penetration. If that sort of stuff offends you, please do not read it! Thanks for looking. Charlotte xxx
