

Sword of Longing (Faery Treasures Book 2)

Genre: Paranormal Series: Faery Treasures; Previous Book: Cup of Revelation For ten years, Lorna has run from her past. But now her past is catching up with her. When she dreams of a perfectly-formed, blue-skinned man and a magical sword, its only a matter of time before she'll have to face her heritage -- up close and personal. Riordan is known throughout Faery for two things: unswerving loyalty to his king and icy self-control. But when his dreams explode with a warm-eyed, lush bodied woman in need, his ice begins to crack. Then Lorna is attacked by enemies of the faery king, and Riordan comes to her rescue. Though she fears her intense attraction to Riordan, she follows him back to Faery to find the faery sword which is her destiny. Despite her efforts, she soon realizes she can't fight her desire to chip through the ice and unleash the beast beneath. If she finds the sword, and tames the beast, will the wild man claim her very soul?
