

# Sun Tzus The Art of War Plus The Art of Love: Winning Romantic Battles

If you want a new, unique perspective on your romantic pursuits, this is the book for you. It analyzes the task of winning love through the perspective of the science of competition. It uses the worlds most successful book on competitive strategy, Sun Tzus The Art of War as a template for a new kind of romantic strategy Two books in one, this book contains Gagliardi's complete award-winning translation of The Art of War plus a line-by-line adaptation for using his competitive system in dealing with romantic relationships, The Art of Love. The complete text of The Art of War is presented on the left-hand page with The Art of Love line-by-line adaptation on the facing right-hand page. The books Foreword and Introduction explain the basics of Sun Tzus system in terms dealing with the finding and maintaining romantic relationships. Following Sun Tzus text exactly, this book lays out an effective strategy for: finding the right romantic partner, attracting that person, overcoming friction in the relationship, knowing when to make a commitment, improving communication, and keeping the romance alive. In reading this book, you will not only get a new perspective on finding love, but you will also learn the basics of a competitive system that you can apply to finding success in every part of your life.
