[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/M/F, with M/M, witches, bondage, blood play, HEA] Cyrah Harris has denied her pagan heritage and tried to live a normal life, but visions of two sexy strangers refuse to leave her alone. She senses trouble in their auras, and knows she must try to insert herself into their lives to stop it. Her strong attraction is difficult to control, however, and one miscalculation leaves her captured by a powerful Coven and tied to a Master Warlocks bed. When Roman Maddock recognizes Cyrah as his destined mate, he makes every effort to keep her close. He lusts after the sexy witch, but cant deny his attraction for his personal guard, Sam Roberts. His emotions are torn, and Roman is unable to bind himself to either of them. Then he learns that Sam and Cyrah feel the same. Cyrah has an idea of how all three of them can become mates, but doing so would involve extremely kinky sex, denying ancient warlock tradition, and putting all of their lives in grave danger. \*\* A Siren Erotic Romance
