

## Taboo - Choice (Book 2-Episode 1) (The Unfinished Song Series - An Epic Faerie Tale)

Long ago, to win a war, humans Cursed the Aelfae, fairest and wisest of the faeries But all magic has a price. The same Curse that destroyed the Aelfae now threatens all of Faeearth. One young woman and the warrior she loves must fight the Curse to prove which is stronger love or death. DINDI desperate longs to become a Tavaedi, a magic dancer. But no one in her clan has ever passed the Test at Initiation. To violate the taboo, and dance without permission, is to risk death. The only other way to prove worthy is even more unthinkable: to bargain with the fae. KAVIO is the half-human son of the Last Aelfae, exiled from his tribe. Refusing to be a pawn in his tribes struggles, his only goal is to find a new, peaceful life. But when he catches Dindi violating a taboo, he must choose between condemning her to death or helping her. Even if it means war. The Unfinished Song series is an epic, romantic fantasy appropriate for an older Young Adult and for a New Adult readership, as well as for readers of any age who love magic, love, adventure and happy endings. PLEASE NOTE There are three ways you can read The Unfinished Song Series. Why? Some readers like to savor a story a spoonful at a time, dolloped out over weeks or months. Others prefer their sagas served in big, meaty chunks, devoured in one delicious banquet. How do you prefer to read? This is the first episode of the second novel, Taboo. Each week, a new episode will be available. If you prefer to read the first novel, you can find Initiate (The Unfinished Song, Book 1) on the online site where you found this episode. You can also find the entire first trilogy sold as three-book set. The complete series will consist of twelve full length novels. Even better, you can read any of these books for free, if you request a free review copy by emailing editor [at] misquepress [dot] com. The complete series of novels (seven episodes each):
