

## The Learning Curve (Taboo Erotic Romance)

Robbie is about to graduate and go on to college, but for the past couple of weeks his stepmother, Shannon, has been giving him some lessons of her own. As the last week of high school draws to a climax, what final lessons will Shannon teach Robbie? Why does she teach him some lessons and not others? Why in such unlikely places? And the biggest question of all, will Robbie pass Shannons final exam?
