

Taken By Black Men: Confessions Of A Gay Male Nurse

Despite being an openly gay male nurse, Allen has managed to get himself into an exciting position at a great hospital, but that all comes crashing down when his irresponsible boyfriend talks him into having sex on the job. They get caught. Instead of being fired, Allen ends up assigned to the late shift at the sperm donation clinic as punishment, which leads her to a chance encounter with five handsome black men. Fueled by anger at his now ex-boyfriend, Allen decides to lay it all on the line and help these men extract their donations by the nastiest means available. Its not long before he finds himself at the center of a hot interracial gangbang. This is a 4,100 word hardcore gay gangbang story, featuring double penetration, anal creampie, and rough interracial sex.
