

Millys Cream: Taming the Hucow (Hucow Menage Erotica)

One cowboy just isnt enough when a girl has big, creamy breasts to pump dry. Tammy cant believe her eyes when two rough, muscled ranchers drink from her curvy friend Annas jugs. Its Millys turn next to be strapped down and taught how to be a good human cow. Tammy knows that she will soon be taken and milked. For now, she cant tear her eyes away from Millys writhing body and her gorgeous milk-engorged breasts. The demanding cowboys humiliate the new hucow and take her, filling her with two thick rods at the same time. Maybe Tammy will be given a taste of something creamy too? This 5,800+ word short story focuses on a new human cow being taken by a group of cowboys and milked for the first time. This story includes cowboys, human cows, rough sex, backdoor action and an ample amount of dairy.
