

Taking Whats Hers (Forced Submission Book 3)

Weve all been that girl. Maybe you did a little social media stalking to check him out. Maybe you just drove by his house to see if he was home. Maybe you took it a step further and followed him once or twice. Weve all gone a little crazy over a guy before. I went a little crazy. Thats how Archer Ware ended up tied to the bed. I should probably feel bad about it, and maybe once I get what I want, I will. But right now hes mine, and thats all I care about. This isnt the forced submission story youre used to. Valentina will stop at nothing to have the man she wants, and Archer can only take what she gives. Warning: This book contains an obsessed heroine at threat-level red, a sexy billionaire with a secret of his own, and a story so hot, firefighters cant put out the flames. Not responsible if firefighters show up looking to help you out.
