

Taking Your iPad to the Max, iOS 5 Edition: Maximize iCloud, Newsstand, Reminders, FaceTime, and iMessage (Technology in Action)

Taking Your iPad to the Max, iOS 5 Edition is written so that anyone can quickly get up to speed on Apples latest hit. As bloggers at The Unofficial Apple Weblog (TUAW.com), the authors have the happy privilege of working with Apple products every day, and theyll guide you through all of the perks of being an iPad owner with access to all the new and amazing features in iOS 5. This book takes you from selecting and buying an iPad, to connecting it to the Internet, to using the incredible power of the iPad and all its apps to enhance your life. Whether youre using your iPad to surf the Internet, admire or edit family photos, listen to music, watch movies, create or edit movies, or read a book, this book will help guide you. Discover how your iPad can be a virtual shopping mall, opening the door to purchases of music, books, videos, and movies. This book will help you organize your daily life through the use of Calendar, Notes, and Contacts, communicate with friends and colleagues with Mail, and find your way with Maps. Youll also learn how get the most out of your iPads two cameras, and youll learn how iCloud keeps all of your documents and photos in sync across all your Apple devices. Youll also learn about great new iOS 5 features like Reminders, Notification Center, iMessage, Newsstand, and PC-Free updates. Taking Your iPad to the Max, iOS 5 Edition introduces the essentials of using your iPad for recreation, travel, and work?and includes the basics of Apples iWork suite for iPad. Learn to create business or personal documents with Pages, make professional presentations with Keynote, and keep data and finances under control with Numbers. Youll also learn how to use iLifes suite of apps, including iPhoto, iMovie, and GarageBand on the iPad. No matter how you use your iPad, Taking Your iPad to the Max, iOS 5 Edition will show you how to make the most of it.
