

Beast Part 1: An Erotic Fairy Tale

FROM HOLLYWOOD ROYALTY... At twenty-one years old, third-generation movie star Cal Hammond was on top of the world. He had more money than God and more women than any man could need. But when a night of debauchery ends in tragedy, he forfeits a life of luxury for a ten-year prison sentence at La Rosa, California's most violent prison. TO BRUTAL BEAST. Eight years later, a ruthless, cunning man runs La Rosa from the inside. He is known simply as Beast. All the wardens fear him. All the gangs obey him. He speaks to no one but his inner council. What he says is law. ONLY SHE CAN SAVE HIM. Annabelle Mitchell's stepfather is the warden at La Rosa. He deals as dirty as his trustees, and after years of smooth relations with Beast and the gangs he runs, Holt lands on the powerful prisoners hit list. That very afternoon, Annabelle pays a surprise visit to La Rosa, hoping to use her new counseling license at a place she thinks she could make a difference. When Beast sees her, he releases the warden and grabs the nameless girl who played a starring role in the worst night of his life. The price for the warden's error is not death. It's his precious Belle. *Beast 1 is an erotic novella of about 20,000 words. It is a DARK story with boundary-pushing situations. If you don't like dark reads, this is probably not for you. *Part two releases Monday, August 25.
