[Siren LoveXtreme Forever: Erotic Paranormal Menage Romance, M/F/M/M/M/M/M, werewolves, HEA] Daniella Dani Lynch is a homicide investigator in New York City. She worked hard to achieve her gold shield. She's tough and has a love for guns and proving she's just as good at her job as any man out there. She's on the hunt for a brutal serial killer. This individual leaves so much blood and gore at the crime scenes it's difficult to gather evidence or figure out exactly who could be responsible. One night, she's following a lead and walks right into the killer's path. He's not human. He's some kind of huge, wild wolf. Dani finds out that she is actually a healer and her abilities are very rare. All hell breaks loose as she becomes the prey of not only the killer but also of a set of five sexy wolves and one irresistible vampire. She has some powers and charms that are desirable, and some sexy Alpha males, a charismatic and charmingly handsome vampire, rogue wolves, and evil scientists are all ready to claim Dani as their mate. \*\* A Siren Erotic Romance
