A SERIES OF EROTIC SHORTS, ORIGINALLY PUBLISHED IN 2009 & 2010 Werewolves and humans have been at war for generations. Humans possess superior technology...but werewolves are the ultimate warriors. Every able wolf serves his king on the front lines, but constant battle takes its toll on man and beast alike. The only way to recover is by visiting the Temple of Luna, where the strongest and brightest women serve their goddess by gentling warriors by any means necessary. CONTAINS FOUR NOVELLAS Possession - The king's heir finds that the girl he barely noticed has grown into the woman he longs to claim. But she won't settle for anything less than his whole heart. Obsession - A healer brutalized by war has lost himself to his beast. The only path back is the touch of the one woman he could never have, a woman with royal blood. Forbidden - After years dedicating herself to her training, a woman stands on the edge of becoming the next High Priestess. But her love for a trainer may be her downfall. Forever - Half a lifetime ago, she picked duty over him, and broke both their hearts. Now he needs her skills almost as badly as she needs his forgiveness.
