

Coras Secret: A Vampire Menage Urban Fantasy Romance (Destinys Trinities Book 4)

Not all secrets are worth keeping. Coralee Tate has a secret. Keeping it means living alone, separated from everyone she cares about, so that no one will ever learn the truth. It also means keeping her distance from Rhys Wisherd, the Erie County sheriff, no matter how much she likes him. Rhys knows that someone or something bad is stalking the people of his county, but he can't put his finger on the culprit until two strangers arrive in town. The first is a tall blond man called Luke who doesn't think Rhys is paranoid. The second stranger has a magnetic compulsion that draws both Rhys and Cora into his sphere of influence. Aithan Smith has dark secrets of his own that would normally force him to keep his distance but this time, with these two, he finds he can't. The bonding has begun. Warning: This short MMF vampire romance features two super-hot alpha heroes, multiple sex scenes, including anal sex, MM sexual play, and MMF sex. Do not read this book if frank sexual language and sex scenes offend you. No non-humans were harmed except for large numbers of Grimore, who died with satisfactory squeals.
