

## Second Half of Marriage Leaders Guide, The

Your children are gone or leaving soon. Its time to focus once again on your own future and your marriage. Whats in store for the second half? David and Claudia Arp provide answers and practical help in this groundbreaking book. Drawing on their national survey of hundreds of second-half couples, the Arps reveal eight marital challenges every long-term marriage faces, and they offer strategies and exercises for meeting each of them. The Second Half of Marriage will challenge you to create a vision for the rest of your life together and inspire you to make that vision a reality. The second half of marriage can be a time of fulfillment, no matter what challenges a couple previously faced. Couples can rediscover each other and build a more mature, satisfying, and romantic life together. The Second Half of Marriage ZondervanGroupware is a unique resource designed to facilitate this rediscovery and rebuilding.
