For months shes been shopping for all the cutest baby gear... until the day she finds out she cant get pregnant. Now she and her hubby, Mark, have a stockpile of baby stuff and no receipt. Molly decides that the best way to make use of the infant items (and get over her loss of mommydom) is to pretend to be a baby herself. Instead of making a baby, theyll play baby, discovering the best sex of their lives in the process. WARNING: This is a kinky 4000 word erotic ABDL story. Contents include pacifier sucking, a milky formula licking, a baby food body buffet, diapered intercourse, a teething cock ring, anal play using a baby thermometer... and more! My First Time at the Nursery Ben has always been a pretty kinky guy... but apparently nowhere near as kinky as his girlfriend, Zoey. While vacationing in London, Zoey surprises Ben with a session at the local ABDL nursery. Not knowing what the term ABDL even stands for, Ben is in for quite the shock when he walks through the doors of the nursery and into the arms of Nanny Lala, a sexy blonde whos ready to take care of ALL his needs... WARNING: This is a kinky 4100+ word erotic ABDL story. Contents include: an adult babys first time in diapers, a VERY naughty game of peek-a-boo and pattycake, adult breastfeeding, diaper wetting, sex toy play, bathtime fun... and more! Playtime With Penny Penny had always been Robbys favorite little girl... that is, until she gained her killer curves. Now shes Robs BIG distraction. Before Penny heads off to her

new job, she has a few ideas in mind on how to bond with her best friend. She wants to relive some of her favorite activities from a more innocent time, but they quickly wind up being anything but. * Authors Note: This is a reworking of Making Him Come Before She Goes that follows the same plot, but with an ABDL twist. WARNING: This 3800+ word erotic story contains detailed depictions of fantastic sex between a 22-year-old girl going through a quarter-life crisis and her horny roommate. Emphasis is on age play.

Spanking Little Lucy Lexi hasnt had an out-of-this-world lay since Tina, who was the epitome of a submissive little playmate. All of this changes after she bumps into Lucy -- quite literally -- at the bar. Cute as a button and alluring as hell, Lexi just knows theres something special about her. As it turns out, Lucy is a pants wetter, a horrible habit Lexi is happy to handle with a firm hand. Fortunately for dom and sub both, Lucy gets off on being spanked just as much as Lexi. What starts as routine submission quickly evolves into something FAR more kinky... WARNING: This is an explicit 6200+ word erotic ABDL story. It contains heavy doses of spanking, age play, adult wetting and lesbian sex.
