

Expected to Serve: His Darkest Desire, Part 3 (BDSM Erotic Romance)

Tired of feeling used by her sometimes-employer sometimes-master Elliot, Nina agrees to meet with him one more time. She needs to know whether she really means anything to him, and if he cares about her, why is he so restrained in showing it? Persuaded to spend the day together, Elliot shows Nina exactly what sort of relationship she can expect with him. It may not be normal, it may not be everything Nina wants, but her desire to be dominated is too strong to resist. 5300 word erotic short story featuring graphic descriptions of oral sex and public domination. Not for the faint of heart!
