

## askGabe about LinkedIn Marketing: Proven Strategies to Build Meaningful Business Connections, Keep Your Professional Audience Engaged, and Kick-Start Your ... (Second Edition) (The askGabe Series)

Did you know LinkedIn is the 36th most visited website in the world? With over 225 million members, its not a big surprise. With a powerful marketing tool at your disposal, there are lots of benefits to utilizing LinkedIn. Businesses that use LinkedIn marketing see the following benefits: Find business partners as well as clients and service providers Post jobs and recruit new candidates Access expert advice Connect with thought leaders and network with them Have one of the best blog promotion tools there is Start groups to increase networking power While LinkedIn marketing itself isnt difficult, it can be hard to cut through the noise to learn exactly what you need to get started. In this book, you will go over the following topics: Keeping your audience engaged with your status updates to build professional relationships Using LinkedIn to promote your blog through specialized plugins Posting relevant status updates to encourage discussion Making status updates work for you to succeed with your connections Communicating within a group to build a networking circle Creating your own group to reach more people and spark discussions Using the power of featured discussions to highlight important content Posting job openings to get more traffic and find the right candidate Using LinkedIn to make friends and build strong network connections Taking a connection to network outside of LinkedIn By going through this easy-to-follow book, you will learn exactly what you need to know when it comes to LinkedIn marketing. About the askGabe Series Learning should be plain, simple and yesdare I say iteven fun. Thats the askGabe series motto. This no-nonsense book will teach you high-level social media strategies through an engaging, easy-to-follow question-and-answer format and will only cover what you really need to know when it comes to LinkedIn Marketing. No fluff

hereonly the the practical business and IT information that really counts. Why read one of those thick 500+ page IT books that would only put you to sleep, when you can read this book and get only the most important information that you need to ensure your success when it comes to LinkedIn marketing? Youll get practical information that really works, derived from actual hands-on experience from Gabriels consulting business. Gabriels clients have paid him up to \$300 an hour over the years for this exact same technical information and practical business analysis that youll find within the pages of this book for a mere fraction of the cost. So why hire one of those so-called IT Professionals who will only talk about ideas and theories that in the end simply dont work, when you can learn everything that you need to get going from one of the leading business and IT consultants in the industry, who actually has the hands-on experience and results to back up everything he says? In other words, by choosing an askGabe book, you get the following benefits: Up to \$300 an hour worth of consulting at a fraction of the cost Practical information that you can actually use at any moment Cut through the noise to learn what you need to know to get started An easy-to-read, easy-to-follow question-and-answer format An increase in your profitability and success with social media marketing After reading this book, you will have all the essential information that you need to get started in implementing your own LinkedIn marketing strategies so that you can start reaping the benefits.
