

The Anatomy of Seduction: Defending Your Heart for God (Sexual Integrity)

Jack Hayford identifies seduction as anything that pulls us away from the light of God and His intended purpose for our lives. In society today, we are surrounded by temptation in its countless forms—from carnality, pornography and marital infidelity to cultural trends in the media and immoral lifestyle choices. The Anatomy of Seduction is the biblical guide with real-world solutions for protecting our spiritual integrity. With its anatomy defined, temptations destructive venom loses its potency.
