

BAD Beginnings

Baden Tranor had a hard life. He hadn't helped it along by taking the wrong turn now and then. His job parking cars downtown paid the bills. Barely. Then a freelance gig at a social event turned the tables and opened the door to a future that surpassed even his measly dreams. Suddenly he came front and center with the guy he could have been. The guy he should have been. And he made a choice to rid himself of the guy that people said no-way too.
