

Death Blow (Viking Vengeance Book 2)

Viking Vengeance Book Two Can a mere Viking break the curse of a sea god? Cursed by the sea-god ?gir to be burned at the stake, Lady Nyssa seeks the one man who can save her--the warrior who bears the mark of the Saracen. When she finds a Viking warrior wounded and senseless on a beach, she knows he is her savior. But ?girs wrath extends to others in her life as well. Hes killed her father and stepmother, turned her stepbrother into a mountain lion, and imprisoned her people. And worse, hes cursed any man who lays with her to have his manparts wither and die. Konall has traded coin a-plenty to gain a wife with lands, the daughter of the King of Moray. He expects a refined, comely, trainable damsel, not a doomed warrior princess with the strength of a giantess who cannot bear the touch of a man. But once he learns more about this woman who speaks to talking mountain cats and hides as a peasant among the rabble, he cannot deny his feelings. Theres more than one way to breech a maidenhead, and if teaching her the ways of a womans pleasure with a carved ivory dildo is what it takes to make her his, then hes more than happy to challenge the wrath of a god...
