

His Punished Associate (BDSM, Alpha Domination): The Billionaires Associate, Story # 8

He will teach her whos in charge, no matter how much it hurts... Leahs billionaire boss, Kevin, thought he knew of a unique way to bring more clients to their law firm: by sharing his dirty, naughty associate Leah with them. But soon things are outside of Kevins control, since the potential clients are richer and more powerful than he is, and they make him watch while they enjoy his good little associate. Kevin decides to take matters back into his own hands, and to punish Leah for enjoying being shared with potential clients. What starts as a romantic and passionate night between Leah and Kevin soon becomes a scary situation for Leah, as shes bound and punished by her jealous and angry boss. Shes used to being submissive to his dominant ways, but can she handle what he has in store for her once shes handcuffed, blindfolded and completely helpless? * * * A NOTE TO READERS: All of the stories in The Billionaires Associate series can be read together, or separately as stand-alone stories.
