

His Every Devotion: The Billionaires Contract Part 3

Celine greets Peters dark side with open arms, but she believes he is still holding something back. A quiet evening with Sylvia convinces her that there is a deep secret, but it takes Peter himself to finally reveal what it is that is so perverse he can barely bring himself to expose it. In the end, he has to show her the evidence of his closely held secret and let Celine figure it out on her own. Peter is in for his own shock.
