

## The Bound Prince: Cat-Shifter Romance (A Dragon Lords World Story) (Lords of the Var Book 3)

Cat-shifter Prince Falke commands the Var armies, so its a little embarrassing when a beautiful female kidnaps him in his shifted form. Since no one knows where to send a rescue party, its up to him to use all his training and powers of seduction to find his way back home. Captain Samantha Dorsey and her men are on a mission to complete a scavenger hunt and claim the prize money. Drunk and feeling like some fun, they snag the last thing on their list--a primitive wild beast. The next morning she realizes that they got more than they bargained for...they kidnaped a warrior prince. Lords of the Var Series The cat-shifter princes were raised to not believe in love, especially love for one woman, and they will do everything in their power to live up to their fathers expectations. Oh, how the mighty will fall. Nominated for the 2007 Romantic Times Reviewers Choice Award!
