

The Brethren (H. Rider Haggard Collection)

Dodo Collections brings you another classic from H. Rider Haggard, *The Brethren*. From the sea-wall on the coast of Essex, Rosamund looked out across the ocean eastwards. To right and left, but a little behind her, like guards attending the person of their sovereign, stood her cousins, the twin brethren, Godwin and Wulf, tall and shapely men. Godwin was still as a statue, his hands folded over the hilt of the long, scabbarded sword, of which the point was set on the ground before him, but Wulf, his brother, moved restlessly, and at length yawned aloud. They were beautiful to look at, all three of them, as they appeared in the splendour of their youth and health. The imperial Rosamund, dark-haired and eyed, ivory skinned and slender-waisted, a posy of marsh flowers in her hand; the pale, stately Godwin, with his dreaming face; and the bold-fronted, blue-eyed warrior, Wulf, Saxon to his finger-tips, notwithstanding his fathers Norman blood. At the sound of that unstifled yawn, Rosamund turned her head with the slow grace which marked her every movement. Would you sleep already, Wulf, and the sun not yet down? she asked in her rich, low voice, which, perhaps because of its foreign accent, seemed quite different to that of any other woman. Sir Henry Rider Haggard was an English writer of adventure novels set in exotic locations, predominantly Africa, and the creator of the Lost World literary genre. His stories, situated at the lighter end of the scale of Victorian literature, continue to be popular and influential. He was also involved in agricultural reform and improvement in the British Empire. His breakout novel was *King Solomons Mines* (1885), which was to be the first in a series telling of the multitudinous adventures of its protagonist, Allan Quatermain. Haggard was made a Knight Bachelor in 1912 and a Knight Commander of the Order of the British Empire in 1919. He stood

unsuccessfully for Parliament as a Conservative candidate for the Eastern division of Norfolk in 1895. The locality of Rider, British Columbia, was named in his memory.
