

The Corvette in the Barn: More Great Stories of Automotive Archaeology

Its every car-guys fantasy to casually peer into a long-forgotten garage or barn or warehouse and find the car he has searched for his whole life. Corvette in the Barn is a collection of true, often amazing, stories and essays about car collectors and enthusiasts who have discovered unusual and desirable cars, forgotten in all manner of locations from barns, to old-school junkyards, to farmers fields. These are the stories that fuel the dreams of car collectors everywhere.
