

## The Complete Extreme Gay Submission Trilogy

Collecting books one through three of the Extreme Gay Submission Trilogy, this bundle is a twisted journey through the most depraved gay bondage gangbangs imaginable. Nothing can prepare you for what you'll find within these three tales of rough sex and homoerotic submission. This collection is for adults only, containing extreme gay rough sex, interracial, gangbangs, double anal, creampie, bondage, submission, and domination. **BOUND BY MEN** Mark is about to learn the hard way that you've got to be careful what you wish for. After confessing to his boyfriend Joey that he's always had a fantasy of getting tied up and gangbanged by a group of strangers, Mark wakes up to find himself bound in a dark chamber. Is it all a setup from Joey, or something more sinister? Only after an explicit sexual journey through his darkest sexual desires will Mark uncover the truth.

**VIOLATED BY MEN** When Greg's boyfriend instructs him to fill out a hardcore sexual survey for their anniversary, he marks almost every box without a second thought, but Greg's about to find out he may have signed up for more than he can handle. After waking up strapped to a table, his legs in the air and his hands behind his head, Greg finds himself the centerpiece of an interracial anal gangbang. And that's only during the first hour! Is this the kinkiest anniversary gift of all time? Or is Greg going to be bound to this table for much longer than he ever expected? **USED BY MEN** Nick is a sweet gay man, but his lack of experience in bed is really starting to get to him. After discovering a website dedicated to making all of your nastiest, depraved sexual fantasies come true, his submission is canceled for being too vanilla. With something to prove, Nick goes a little overboard when placing his next order, haphazardly clicking the boxes for double anal, interracial gangbangs, and bondage.

Now, finding himself bound to a chair in an unfamiliar concrete room, Nick is about to learn what happens when you bite off more than you can chew.
