

The Loyal Heart (The Noble Hearts series Book 1)

Lady Aubrey has a problem. Several problems. Her childhood love, Ethan, has returned home from the Crusades, but he's more interested in winning his land back than wooing her. She has to rescue a pair of nuns who are being held prisoner in Derby Castles tower by the sadistic Sheriff Buxton. And to top it all off, she's developing scandalous feelings for Buxton's lackey, the dark and devilish Crispin. Faced with all that, what's a girl to do but don her disguise as the Derbywood Bandit and take matters into her own hands? Sir Crispin is at his wits end. Not only does he have his hands full keeping Buxton from killing half the shire, now his arch nemesis, the Derbywood Bandit, has joined forces with his old rival, Ethan. And that's nothing compared to the burning torch he carries for his ex-fiance, Lady Aubrey. He would do anything to win Aubrey's love until he suspects that there could be a closer connection between Aubrey and the Derbywood Bandit than anyone has guessed. Four and a Half Stars This is a really entertaining book with love, lust, action, intrigue, humour, stress, happiness and sadness and is well worth taking the time out of your day to read. -Lindsay and Janes Views and Reviews
