

The Warrior and the Mischievous Witch (Warriors After Dark Book 2)

WINNER: BEST PARANORMAL SPANKING ROMANCE - 2015 WILY WITCHCRAFT. PASSIONATE WARRIORS. A EVIL VILLAIN. Angelica, an impish witch, tangles with a warrior immune to her power, a warrior who suffers no qualms in putting her over his knee when he discovers she has attempted to put a spell on him. In spite of the stinging chastisement, she finds herself deeply attracted to the mighty warrior. His name is Darius Dunworthy. An evil menace is terrifying the citizens of Zanderone, and he has been sent to find her in the hope that her magic can help. She agrees to return with him to the Kingdom, but will Darius be able to control her on their journey, and can her sorcery save the frightened people from the evil that lurks in the shadows? In this highly-charged, suspenseful, adult fairy tale, alpha males indulge their dark erotic cravings, and wily women want them to! Leave the humdrum behind, and escape into this sexy, romantic, adult fantasy today. NOTE: Written as a stand-alone book, this is a sequel to The Warrior and the Petulant Princess.
