

The DC Comics Guide to Inking Comics

For the aspiring artist who wants to become an expert comic book inker, The DC Comics Guide to Inking Comics is the definitive, one-stop resource! Americas leading comic book publisher brings its superstar creators and classic characters to the third in an authoritative series of books on how to create comics. Legendary comic book inker Klaus Janson uses DCs world-famous characters including Batman, Superman, and Wonder Woman to demonstrate an array of inking techniques, covering such topics as using textures, varying line weights, creating the illusion of three-dimensionality, and working with light and dark. Jansons lively, step-by-step instructions are informative, exciting and clear enough for even beginners to follow. In addition, every technique shown in this guide conforms to actual industry standards. The perfect how-to on everything from basic inking materials to storytelling techniques, this one-stop sourcebook is packed with a wealth of tested techniques, practical advice, and professional secrets for the aspiring comic artist.
