

Anime Interviews : The First Five Years of Animerica, Anime & Manga Monthly (1992-97)

In this book, the first collection of its kind, you will hear insights directly from the mouths and minds of the anime and manga creators themselves, in interviews with are often the only ones on record in English. some of these creators are larger-than-life legends in their native Japan, some are up-and-coming young talents, but all have a lot to say on the subject of their work.
