

Tom and Jerry (Insight Editions Mini-Classics)

For over 65 years, Tom and Jerry have entertained generations of cartoon viewers with their crazy game of cat and mouse. For this odd pair the natural order is never as simple as predator and prey, and anyone who's seen this mischievous duo knows that the chase goes both ways. With some of the most elaborate and explosive pursuits imaginable, Tom and Jerry have invented invisible paint, traveled back in time, and defied almost every law of physics. Explore and enjoy the Oscar-winning series that made Hanna-Barbera, delighted millions, and defined the word of Saturday morning cartoons.
