

The Handsome Prince: Gay Erotic Romance

We all know the fairy tale. The handsome prince comes riding up on his white stallion and rescues the beautiful princess from her enchantment with a single kiss. Then they ride off together to live happily ever after. But what if the person longing for that handsome prince is a man himself? And, why not? Neil Plakcy's *The Handsome Prince* is a mix of traditional and contemporary stories, each with its own unique fairy-tale atmosphere. Sometimes the prince is the one who needs rescuing, as in *Chauffeur Prince* and *Creosote Flats and the Big Spread*. Sometimes the true prince is the other guy like the tales told in *The Virgin Prince* and *the Rebel Chief and Reckless*. There is humor and charm in these stories, with an underlay of passion and desire. The one thing these stories have in common, along with the original fairy tales, is a happy ending. These stories drip, quite literally, with romance. Whether it's a HEA happily ever after or a HFN happily for now when these guys find their princes, hot steamy sex ensues. Here's to stories (and heroes) that make us swoon!
