

Wild Submission

This is the first book of the Wild Submission series, written in the delicious and sensual style of Natalie Wild. After successful ballerina Shelley recovers from a dance injury that ended her ballet career, she interviews for a job as a cage dancer at an upscale BDSM club with Damon, the sexiest and most mysterious man she's ever met. Shelley tore her Achilles tendon in a ballet accident and after recovering, is broke and has no other skills than dancing. A friend suggests she interview for a cage dancing gig at a BDSM nightclub called The Leather Rose. The man who interviews and hires her, Damon, oozes dominant sexual energy and Shelley's drawn to him like no other man. He gives her a stage name, Serenity, and tells her to meet him at the club that night to check out the dancing and the vibe. At the club, she sees all kinds of people and things she's never laid eyes on. When Damon takes her to the dressing room to put her coat away, things heat up. But he leaves afterward, seeming upset about something. Chatter, one of the dancers, catches Shelley in the dressing room in her nightgown and harasses her until she discovers what Shelley and Damon have done. She plants doubt into Shelley's head as to what kind of man Damon is. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
