

## Pumped (M/M Gym Erotica)

Brandon was the master of Iron Strong Gym. He found peace in his 5 AM workout sessions in the empty gym 5 days a week. That is, until Tyler began showing up. Something about Tyler's perfect body pumping and flexing in front of him every morning is driving Brandon crazy with lust. Maybe a steamy locker room encounter could be just what he needs to get his mind clear again. Warning! This m/m erotic short contains adult content and is not intended for those under the age of 18!
