

The Wandering Harlot (The Marie Series Book 1)

In 1410 in Constance, Germany, the beautiful Marie Scharers luxurious life as a merchants daughter is destroyed when her ambitious father arranges her marriage to a lawyer from the Black Forest named Rupert Splendidus. Her childhood sweetheart warns her of the attorneys sly character and is tragically proven right the day before the wedding, when Rupert accuses Marie of unimaginable behavior and has her thrown into a dank dungeon, where she is brutally attacked by his henchmen. Unfairly condemned and banished from her home, Marie is forced to become a wandering prostitute to survive. The clever and kind Hiltrud befriends Marie, and the strong-minded pair sets out on spirited adventures bedding counts, meeting scoundrels, and tricking foes as Marie plots the ultimate revenge on the men who stole her honor and her familys fortune. Set against a richly detailed historical backdrop, this is the dramatic tale of one womans quest for vengeance, redemption, and real love.
