

## The Laughing Assassin [Assassins Diary] (Siren Publishing Classic)

[Siren Classic: Erotic Interracial Romantic Suspense, public exhibition, consensual BDSM, bondage, spanking, caning, flogging, breath play, HEA] What can a simple man offer the most deadly of women? Money? Love? Or an adventure with the promise of more to come? Jaden Bishop is closed off to the possibilities of love and romance. She is a premier assassin, trained by Ronin warriors as a child after she was left orphaned. By day, she bakes cupcakes, and at night? She keeps her body honed by training the weapon forged by her childhood. Interpersonal relationships have no place in her life. But none of that matters when it comes to love. Jonah Whitmore fell for the mercenary woman before they met, via the World Wide Web and all of the information he could plumb from his computer. He needs Jaden's expertise, but he wants the woman for himself. He will stop at nothing to make his goals reality. And that includes making the wily assassin his woman. \*\* A Siren Erotic Romance
